Virtu-AL

VIRTUOSO
DOORS

Virtu-AL is the ultimate contemporary entrance door. Combining the finest qualities of a composite door with the premium finish of an aluminium entrance door, it is fast becoming the architect's product of choice.

This revolutionary new door design turns the traditional look of a composite door on its head and offers an unrivalled ultra-modern finish. Comparable to an aluminium door in everything but price, it exudes luxurious style and delivers a premium architectural finish.

It's all in the detail...

Features

Superior Thermal & Acoustic Performance

Virtu-AL doors are engineered with security in mind. Each and every Virtu-AL door has the best security hardware and is PAS24 compliant.

For extra peace of mind, choose from a range of security upgrades.

Aluminium Glass Surround

Complete the contemporary look with sleek aluminium edging for your glazed sections. Available exclusively with Virtu-AL, the anodised aluminium edging beautifully frames your choice of designer glass designs.

Strong, Safe & Secure

Virtu-AL improves the efficiency of your home with advanced protection from outside noise and the ultimate thermal technology to retain heat in your home and keep the cold out.

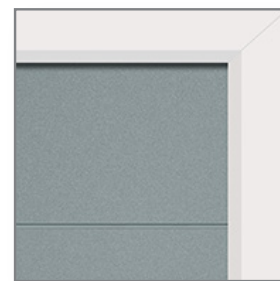

Designer Glazing

Carefully crafted specialist glass designs have been exclusively created for the Virtu-AL door range.

Colour Match

Much like aluminium doors, Virtu-AL can be powder-coated with any RAL colour in our state-of-the-art paint studio.

Colours are as accurate as the printing process allows. Due to the hand painting and staining process, we can't guarantee an exact colour match between the door and the external door frame.
